Script for the Jasper Co ARES® Net

5 minutes before net

This is <<callsign>> The Jasper County ARES® net will begin on this frequency in about 5 minutes.

PREAMBLE SECTION

Scheduled net time

All stations, this is <<callsign phonetically>>, my name is <<first name>>, located <<your location>> and I will be Net Control for the Jasper County ARES Monday night net. Before we begin, are there any stations on frequency with Emergency or Priority Traffic? Please call now.

Pause and handle any emergency traffic

NET INFORMATION

Nothing heard, <<callsign>> continues…

This net can be interrupted at any time for emergency or priority traffic by calling net control, or saying "Break"

The Jasper County ARES® net is held every Monday night on the WØIN repeater, frequency 147.210, positive offset, with a 91.5 PL tone. The net begins at 8:00pm, or after the conclusion of the Joplin club net. The purpose of this net is to encourage the interest in, and provide training and information for the Amateur Radio Emergency Service, and also to allow stations to check that their equipment is in working order.

This net is open to anyone who is licensed to operate on this repeater and is interested in ARES®. This net is affiliated with ARES® and the ARRL, however membership with either group is not required to check-in, we encourage participation from all amateurs.

Standby, more follows…

Pause

This is <<callsign>> continuing…

In the event this frequency is already in use for an emergency or Skywarn net, or in the event this repeater is not operational, the net will move to 146.400 simplex.

We will now begin accepting check-ins to the net. When called for check-in, please say "This is", then unkey and listen. If you do not hear another station, continue your transmission providing:

- your call sign, first phonetically, then the regular way,
- your name and location,
- whether you have announcements or comments for the net,
- whether you are running on backup or commercial power.

Please check-in three at a time, allowing Net Control to recognize the stations that have checked in.

At this time I will take check-ins from any mobile or short-time stations, please call now, 3 at a time. **<<callsign>>**, net control.

Pause and note checkins, after 3, or silence, continue

OK, this is **<<callsign>>**, let me acknowledge **<<station 1 call and name>>**, **<<station 2 call and name>>**, **<<station 3 call and name>>**, are there any corrections?

Pause and take corrections
If there are any with announcements or comments:

<<station call>> go ahead with your comment please - *Note their comment*

OK thank you **<<station 1 call>>**. **<<station 2 call>>**, your announcement please.
Note their comment, repeat

Are there any other mobile or short-time stations, please call now, 3 at a time. **<<callsign>>**

After mobile and short-time stations are done, continue with announcements:

ANNOUNCEMENTS

This is **<<callsign>>** with a couple of announcements.

The Jasper County ARES® group meets the 1st Tuesday of each month. Our next meeting will be held on Tuesday, **<<give next meeting date>>** at 7:00pm. The meetings are held at the American Red Cross Building, at 401 Jackson in Joplin. Parking is in the rear of the building and enter using the door closest to 4th street. Any amateur interested in learning more about the Jasper County ARES® group is welcome to attend.

At this time, let's continue with regular check-ins. Please call 3 at a time with

- your call sign, first phonetically, then the regular way,

- **your name and location,**
- **whether you have announcements or comments for the net,**
- **whether you are running on backup or commercial power.**

Please call now, <<callsign>>

As stations call, write down call, name, location and if they have traffic. After 3, acknowledge them:

OK, this is <<callsign>>, let me acknowledge <<station 1 call and name>>, <<station 2 call and name>>, <<station 3 call and name>>, are there any corrections?

Pause and take corrections

Thank you, we'll go back through the list for the announcements and comments after the check-ins. Any additional check-ins, please call now, 3 at a time, all are welcome to checkin - <<callsign>>

Repeat taking callsigns until no further check-ins are heard during a 5-10 second pause.

OK, hearing no additional check-ins, let's go to the top of the list for comments - <<station 1 call and name>> go ahead with your comment or announcement. - *Note their comment*

OK thank you <<station 1 call>>. <<station 2 call>>, your announcement please.
Note their comment, repeat

Allright, before we end the net, are there any additional check-ins, any station wishing to check-in, please call now <<callsign>>

Repeat taking callsigns and corrections and ask for comments for each one, until no further check-ins are heard during a 5-10 second pause.

This is <<callsign>>, I would like to thank you all for your check-in tonight. Your participation makes Amateur Radio a more valuable resource to our community.

Tonight we had <<number>> of check-ins, including myself.

I will be looking forward to hearing all of you again next Monday at 8:00pm. I would also like to thank the Joplin Amateur Radio Club for use of this repeater, and will now return the repeater to normal use.

This is <<callsign>>, 73 and have a great evening.
